WHEREAS, Arizona Revised Statutes § 10-3101, et seq. vests the authority to adopt initial bylaws in the Board of Directors;

WHEREAS, the Board of Directors has not previously adopted bylaws for the Association; and

WHEREAS, at a meeting of the Board of Directors duly called and held on July 16, 2025, a majority of the Directors present voted in favor of adopting these Bylaws of La Pradera Village Homeowners Association, Inc. ("Bylaws"), as set forth herein.

NOW THEREFORE, the Bylaws of the Association are hereby adopted in their entirety as follows:

ARTICLE I
NAME AND LOCATION OF ASSOCIATION

Section 1.1 Name. The name of the Association is La Pradera Village Homeowners Association, Inc.

Section 1.2 Principal Office. The principal office of the Association is currently located at 2107-B Paseo San Luis, Suite C, Sierra Vista, Arizona 85635. The Association may change the location of its principal office as the Board of Directors may determine or as the affairs of the Association may require.

ARTICLE II
REFERENCE TO DECLARATION

Section 2.1 Reference to Declaration. Reference is made to the certain Declaration of Covenants, Conditions and Restrictions for La Pradera Estates, recorded on May 26, 2006 at Fee No. 060520361 in the Official Records of Cochise County, Arizona, (as amended from time to time, the "Declaration"). Unless otherwise defined in these Bylaws, all capitalized words and phrases shall have the meanings set forth in the Declaration.

ARTICLE III
PURPOSE

Section 3.1 Purpose. The primary purpose of the Association is to serve as the governing body for the Owners of Lots and to fulfill such obligations and exercise such rights as are given by statute and these Bylaws, the Declaration, or any of the Association's rules, regulations, policies, guidelines, or other governing instruments (together, the "Governing Documents"), as they may hereafter be amended.

ARTICLE IV
MEMBERSHIP

Section 4.1 Qualification. Membership in the Association shall be limited to Owners of Lots.

Section 4.2 Voting Rights. Subject to the provisions of Section 4.3, each Owner Lot shall be entitled to one (1) vote for each Lot owned on each matter submitted to a vote of the Members. The vote attributable to each Lot must be cast as a whole; fractional votes shall not be allowed. In the event that a Lot is owned by two (2) or more Persons, the joint or common owners shall designate to the Association in writing one of their number who shall have the right to cast votes with respect to such Lot. If multiple Persons own a Lot and are unable to agree upon how their vote shall be cast, they shall lose their right to vote on the matter in question. If any Member casts a vote representing a certain Lot, it will thereafter be conclusively presumed that Member was acting with the authority and consent of all other Owners of the same Lot unless objection thereto is made at the time the vote is cast. In the event that more than one (1) vote is cast with respect to particular Lot, all such votes shall be deemed void. In the event that an Owner owns more than one (1) Lot, such Member shall be entitled, subject to the provisions of Section 4.3, to one (1) vote for each Lot owned.

Section 4.3 Good Standing. If a Member otherwise entitled to vote is delinquent in the payment of any assessments, fines, penalties, interest, late charges, transfer fees, refinance fees, costs of collection, lien fees, attorneys' fees or other monies owed to the Association or is not in compliance with the terms of the Association's Governing Documents, then the Board of Directors may, in its sole discretion, determine that such Member is not in good standing and such Member's

right to vote shall be suspended until the delinquency, breach, or violation is paid in full, cured, or corrected.

Section 4.4 Transfer of Membership. Membership in the Association is inextricably and irrevocably connected with ownership of a Lot and may not be transferred independently of such ownership.

ARTICLE V
MEETINGS OF MEMBERS

Section 5.1 Annual Meeting. An annual meeting of the Members of the Association shall be held once in each fiscal year of the Association at a date and time determined by the Board of Directors, in its sole discretion, for the purpose of electing or announcing the results of the election of Directors and transacting such other business as may properly come before the meeting. At a reasonable time prior to the date set for the annual meeting, the Board of Directors shall cause a "Call for Candidates" to be issued to the membership by any reasonable means. Any person desiring to serve on the Board of Directors may nominate him or herself by submitting a nomination in writing to the Board of Directors by such time as the Call for Candidates may state. Any nominee qualified to serve on the Board of Directors, as provided in these Bylaws, shall then be made a candidate in the upcoming election.

Section 5.2 Special Meetings. Special meetings of the Members may be called by the President, the Board of Directors, or by the written request signed by Members having at least one-fourth (1/4th) of the total authorized votes in the Association.

Section 5.3 Record Date. For any meeting of the Members, the Board of Directors may fix a date not more than fifty (50) nor less than ten (10) days before the date of such meeting, as a record date for the determination of the Members of record entitled to vote at such meeting. If a record date has not been fixed in advance of a meeting as provided herein, the time of commencement of the meeting shall be the record date.

Section 5.4 Place of Meeting. Meetings of the Members shall be held in Cochise County, Arizona, at a suitable place designated by the Board of Directors.

Section 5.5 Notice of Meetings. Written notice stating the place, day and hour of the annual meeting of Members or a special meeting of Members shall be hand-delivered or sent by first-class U.S. Mail, postage prepaid, to all Members at the mailing address for each Lot appearing in the records of the Association, unless the Member has designated to the Association in writing a different mailing address, not less than ten (10) nor more than fifty (50) days before the date of such meeting, by or at the direction of the Secretary. The notice shall include at least all information required by law.

Section 5.6 Quorum. The presence of Members entitled to cast ten percent (10%) of the authorized votes in the Association in person, by absentee ballot, or by an electronic form of

voting at a properly noticed meeting of Members shall constitute a quorum at all meetings of the Members, unless otherwise specified in the Articles of Incorporation, the Declaration, or these Bylaws. If, however, such quorum shall not be present or represented at any such meeting, the Members entitled to vote thereat or the Board of Directors shall have power to continue the meeting to a later date. The Board of Directors shall then cause notice of the continued date of the meeting to be provided to the Members by any reasonable means, including, but not limited to, posting the notice in a conspicuous location or online posting. At the date of the continued meeting the required quorum for conducting the business of the meeting shall be reduced to the presence of Members, by any means identified above, entitled to cast five percent (5%) of the total authorized votes in the Association. All votes cast at or prior to the original date for the meeting are preserved and shall not expire until after continued date of the meeting. Members who did not vote at or prior to the original date of the meeting shall have the opportunity to register their presence and vote in person, by absentee ballot, or by electronic means through the continued date of the meeting, regardless of any prior deadline for voting imposed by the Association or the law. The continuance of any meeting pursuant to this Section 5.6 shall not change the record date established for the meeting.

Section 5.7 Methods of Voting. At any meeting of the Members, any Member entitled to vote may vote in person, by absentee ballot, or by any electronic means or other form of delivery permitted by the Board of Directors, in its sole discretion. The form and contents of absentee ballots shall conform to the requirements set forth in the law. Votes cast by absentee ballot, electronic means, or other form of delivery are valid for the purpose of establishing a quorum as though those Members voting by such means were present in person at the date, time, and place of the meeting.

Section 5.8 Manner of Acting. A majority of the votes entitled to be cast on a matter to be voted upon by the Members present or represented at a meeting at which a quorum is present shall be necessary for the adoption thereof unless a greater proportion is required by statute, the Declaration or these Bylaws.

Section 5.9 Minutes. Minutes shall be taken at all meeting of Members. Copies of the minutes shall be available for inspection at the office of the Association by Members and Directors at all reasonable times.

Section 5.10 Non-cumulative Voting. All voting shall be done on a non-cumulative basis.

ARTICLE VI
BOARD OF DIRECTORS

Section 6.1 Powers and Duties. The affairs of the Association shall be managed by its Board of Directors. The Board shall have all of the powers and duties necessary for the administration of the affairs of the Association and may do all such acts and things that are not

required by the Declaration, statute or these Bylaws to be exercised or done by the Members. In addition to the powers and duties granted and imposed by statute and the Governing Documents, the powers and duties of the Board of Directors shall include, but are not limited to, the following:

(F) To do all things necessary to carry out and enforce the terms and provisions of the Governing Documents and to do all things and acts, including the payment of all maintenance, operating, and other costs, which in the sole discretion of its Board of Directors shall be deemed to be in the best interest of the Members of the Association or for the peace, comfort, safety, or general welfare of the Members of the Association, all in accordance with the Governing Documents;

(G) To enter into agreements with third parties authorizing such parties to carry on any activities which might legally be carried on by the Association and delegated by the Association to third parties;

(N) To establish and maintain working capital, reserve, and contingency accounts in an amount to be determined by the Board of Directors;

(O) To lend or invest the Association's working capital and reserves with or without security;

(P) To fix and collect fees, rates, rentals and other charges for the use of Common Areas, for the use of other property owned by the Association, and for services rendered by the Association;

(Q) To grant easements when necessary for utilities and sewer facilities over the Property;

(R) To enter into agreements with the owners of property not within the Properties whereby such owners shall contribute to the payment of construction, maintenance, and reconstruction expenses, taxes, insurance, and other charges attributable to portions of the Common Areas, which may directly or indirectly benefit such other property;

(S) To levy and collect Assessments as provided in the Declaration;

(T) To establish, levy, collect, and enforce by any lawful means a schedule of fines, penalties, fees due upon the sale of Lots where permitted by law, administrative charges, late charges, interest, and costs of collection;

(U) To do all other acts and things required by applicable law or statute or authorized in the Declaration but not explicitly set out above;

(V) To declare the office of a member of the Board of Directors to be vacant in the event such member shall be absent from three (3) consecutive regular meetings of the Board of Directors;

(W) To issue, or to cause an appropriate officer to issue, upon demand by any person, a certificate setting forth whether or not any assessment has been paid. A reasonable charge may be made by the Board for the issuance of these certificates. If a certificate states an assessment has been paid, such certificate shall be conclusive evidence of such payment;

(X) To cause all officers or employees having fiscal responsibilities to be bonded, as it may deem appropriate;

(Y) To procure and maintain adequate liability and hazard insurance on property owned by the Association in addition to a Directors and Officers liability policy endorsement or any other insurance policies and coverage as the Board, in its sole discretion, may determine appropriate at any time; and

(Z) In general, to do and perform such acts and things and to transact such business in connection with the foregoing objects and purposes as may be necessary or appropriate.

Section 6.2 Number and Qualifications of Directors. The number of Directors of the Association shall be not less than three (3) nor more than seven (7); provided, the number shall always be an odd number. If the number of Directors is reduced, all Directors whose terms have not yet expired and who are in good standing shall be allowed to serve the balance of their terms. No person may serve as a Director or be a candidate in any election of Directors, unless the person is a Member in good standing of the Association in accordance with the provisions of Section 4.3, but need not be residents of the State of Arizona. If an Owner is a corporation, partnership, or trust, an officer, partner, trustee, or beneficiary of such Owner may serve as a Director. If a Director shall fail to meet the qualifications of good standing or Membership at any time, the person will thereupon cease to be a Director and the person's place on the Board shall be deemed vacant.

Section 6.3 Terms. Directors shall be elected to and shall serve staggered three-year terms such that every year, one-half of the number of Directors (or as close to one-half as is possible) shall be elected. All elections and appointments of Directors under these Bylaws shall be made in a manner to preserve the staggering of terms contemplated hereby.

Section 6.4 Regular Meetings. A regular annual meeting of the Board of Directors shall be held semiannually, or with such regularity as the Board of Directors may determine at any time in its sole discretion, at such time and place as may be fixed from time to time by resolution of the Board. Should said meeting fall upon a legal holiday, then that meeting shall be held at the same time on the next day which is not a legal holiday.

Section 6.5 Special Meetings. Special meetings of the Board of Directors may be called by or at the request of the President or any two (2) Directors, or by the written demand of at least twenty-five percent (25%) of the Members. The person or persons authorized to call special meetings of the Board of Directors may fix any convenient place and time as the place and time for holding any special meeting of the Board of Directors called by them.

Section 6.6 Teleconference Meetings. Meetings of the Board of Directors may be held by conference telephone, virtually, or by other similar communications equipment by means of which all persons participating in the meeting can hear each other, and participation at such meeting shall constitute presence in person at the meeting.

Section 6.7 Notice.

(A) Notice to Directors. Notice of any meeting of the Board of Directors shall be given to Directors at least forty-eight (48) hours prior thereto by written notice delivered personally or sent by mail, electronic mail, facsimile, or other written electronic means, to each director at his physical address as shown on the records of the Association, facsimile number, or other device. If mailed, such notice shall be deemed to be delivered when deposited, postage prepaid, in the United States Mail in a sealed envelope so addressed. If notice is given by facsimile or electronic means, such notice shall be deemed to be delivered when the notice is transmitted by the sender with reason to believe the Director has access to receive the notice. Any Director may waive notice of any meeting. The attendance of a Director at any meeting constitutes a waiver of notice of such meeting, except where a Director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any meeting of the Board need be specified in the notice or waiver of notice of such meeting, unless specifically required by statute or by these Bylaws. If emergency circumstances do not permit the Board of Directors to provide forty-eight (48) hours' notice to the Directors, then the Board of Directors shall make every reasonable effort to provide the Directors as much notice of the meeting as possible by any reasonable means, but no Director may object to any actions taken at an emergency meeting on the basis the Director failed to receive notice. The failure of any director to receive actual notice of any meeting of the Board of Directors does not affect the validity of any action taken at that meeting. The proper notice to the Members of any meeting of the Board of Directors, as provided below, constitutes adequate and valid notice of the meeting to all of the Directors.

(B) Notice to Members. Notice of any meeting of the Board of Directors shall be given to the Members at least forty-eight (48) hours in advance of the meeting by newsletter, conspicuous posting, or any other reasonable means as determined by the Board of Directors, in its sole discretion. An affidavit of notice by an officer of the Association, which may be the Association's managing agent, is prima facie

evidence that notice was given, although there is no obligation for the Association to produce such an affidavit. Notice to Members of meetings of the Board of Directors is not required if emergency circumstances require action by the Board before notice can be given. Minutes of any emergency meeting shall state the reason necessitating the meeting, and the Board of Directors shall read and approve the minutes of the emergency meeting at the next regularly scheduled meeting of the Board. Notice of any meeting of the Board of Directors shall state the date, time, and place of the meeting. The failure of any member to receive actual notice of a meeting of the Board of Directors does not affect the validity of any action taken at that meeting.

Section 6.8 Quorum. A majority of the Board of Directors shall constitute a quorum for the transaction of business at any meeting of the Board of Directors; but if less than a majority of the Directors are present at said meeting, a majority of the Directors present may adjourn the meeting from time to time without further notice.

Section 6.9 Manner of Acting. The act of a majority of the Directors present at a meeting at which a quorum is present shall be the act of the Board of Directors, unless a greater number is required by law or by the Declaration, the Articles of Incorporation or these Bylaws.

Section 6.10 Removal. At any annual or special meeting of the Members duly called, any one or more of the Directors may be removed from the Board with or without cause by Members having more than two-thirds (2/3rds) of the votes entitled to be cast by the Members present in person at the meeting, and a successor may then and there be elected to fill the vacancy thereby created by a majority of the Members in attendance at the meeting. A Director so elected shall be elected for the full unexpired term of the Director removed. Any Director whose removal has been proposed by the Members shall be given an opportunity to be heard at the meeting prior to the vote for removal.

Section 6.11 Vacancies. Any vacancy occurring in the Board of Directors and any directorship to be filled by reason of an increase in the number of Directors shall be filled by the affirmative vote of a majority of the remaining Directors, though less than a quorum, at the next regular or special meeting of the Board, or as soon as practically possible thereafter. A Director appointed to fill a vacancy shall be appointed for the full unexpired term of the Director's predecessor in office.

Section 6.12 Compensation. Directors shall not receive any compensation for their services as such. However, any Director may be reimbursed for his or her actual expenses incurred in the performance of his or her duties; provided, the Director receives the written approval of the Board of Directors prior to incurring any such expenses. Nothing herein contained shall be construed to preclude any Director from serving the Association in any other capacity and receiving compensation therefor.

Section 6.14 Open Meetings. Except as otherwise provided herein or by statute, all meetings of the Directors shall be open to all Members of the Association and Members shall be permitted to attend and listen to the deliberations and proceedings; except to make one statement after the Directors have discussed an agenda item but before the Directors have voted, subject to any reasonable rules and regulations the Board of Directors may adopt. Notwithstanding the foregoing, any meeting or portion of a meeting of the Board of Directors may be closed if, and only if, the closed meeting or portion thereof is limited to consideration of the topics enumerated in A.R.S. § 33-1804(A), as amended, or any successor statute.

ARTICLE VII
OFFICERS AND EXECUTIVE DIRECTOR OR MANAGING AGENT

Section 7.1 Officers. The officers of the Association shall be a President, a Vice President, a Secretary, a Treasurer and such other officers as may be elected in accordance with the provisions of this Article. The Board of Directors may elect or appoint such other officers, including one or more Assistant Secretaries and one or more Assistant Treasurers, as it shall deem desirable, such officers to have the authority to perform the duties prescribed, from time to time, by the Board of Directors. All officers of the Association must be Members in good standing of the Association. Any two (2) or more offices may be held by the same person, except the offices of President and Secretary.

Section 7.2 Election and Term of Office. The officers of the Association shall be elected annually by the Board of Directors at the first meeting of the Board of Directors after each annual meeting of the Members. If the election of officers is not held at such meeting, such election shall be held as soon thereafter as convenient. New offices may be created and filled at any meeting of the Board of Directors. Each officer shall hold office for one (1) year unless he shall sooner resign, or shall be removed, or otherwise disqualified to serve

Section 7.3 Removal or Resignation. Any officer elected or appointed by the Board of Directors may be removed by the Board of Directors whenever in its judgment the best interests of the Association would be served thereby. Any officer may resign at any time upon giving written notice to the Board, the President or the Secretary. Such resignation shall take effect on the date of receipt of such notice or at any later time specified therein, and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

Section 7.4 Vacancies. A vacancy in any office because of death, resignation, removal, disqualification or otherwise, may be filled by the Board of Directors for the unexpired portion of the term.

Section 7.5 President. The President shall be the principal executive officer of the Association and shall, in general, supervise and control all of the business and affairs of the Association. The President shall preside at all meetings of the Members and of the Board of Directors. The President may sign, with the Secretary or any other proper officer of the Association

authorized by the Board of Directors, any deeds, leases, mortgages, bonds, contracts, or other instruments that the Board of Directors has authorized to be executed, except in cases where the signing and execution thereof shall be expressly delegated by the Board of Directors or by the Declaration, these Bylaws, or by statute to some other officer or agent of the Association.

Section 7.6 Vice President. In the absence of the President or in the event of the President's inability or refusal to act, the Vice President shall perform the duties of the President, and when so acting, shall have all the powers of and be subject to all the restrictions upon the President. Any Vice President shall perform such other duties as from time to time may be delegated or assigned by the President or by the Board of Directors.

Section 7.7 Treasurer. The Treasurer shall have charge and custody of and be responsible for all funds and securities of the Association; receive and give receipts for moneys due and payable to the Association from any source whatsoever, and deposit all such moneys in the name of the Association in such banks, trust companies, or other depositories as shall be selected in accordance with the provisions of these Bylaws; and, in general, perform all the duties incident to the office of Treasurer and such other duties as from time to time may be delegated or assigned by the President or by the Board of Directors. If required by the Board of Directors, the Treasurer shall give, at the Association's expense, a bond for the faithful discharge of his/her duties in such sum and with such surety or sureties as the Board of Directors shall determine.

Section 7.8 Secretary. The Secretary shall keep the minutes of the meetings of the Members and of the Board of Directors in one (1) or more books provided for that purpose; see that all notices are duly given in accordance with the provisions of these Bylaws or as required by law; be custodian of the Association records; keep a register of the post-office addresses of each Member which shall be furnished to the Secretary by such Member; and, in general, perform all duties incident to the office of Secretary and such other duties as from time to time may be delegated or assigned by the President or by the Board of Directors.

Section 7.9 Assistant Treasurers and Secretaries. The Assistant Treasurers and Assistant Secretaries, in general, shall perform such duties as shall be assigned to them by the Treasurer or the Secretary or by the President or Board of Directors. If required by the Board of Directors, the Assistant Treasurers shall give, at the Association's expense, bonds for the faithful discharge of their duties in such sums and with such sureties as the Board of Directors shall determine.

Section 7.10 Compensation. No officer shall receive any compensation from the corporation for acting as such. However, any officer may be reimbursed for his or her actual expenses incurred in the performance of his or her duties; provided, the officer receives prior written approval from the Board of Directors prior to incurring any such expenses. Nothing contained herein shall be construed to preclude an officer from serving the corporation in any other capacity, and receiving compensation therefor.

Section 7.11 Managing Agent. The Board of Directors may hire a Managing Agent at a compensation established by the Board of Directors. The Managing Agent may either be an employee of the Association, an independent professional management company, or an independent contractor. The Managing Agent shall perform such duties and services as the Board of Directors shall authorize. The Board of Directors may, but is not obligated to, delegate to the Managing Agent all of the powers granted to the Board of Directors or the officers of the Association by these Bylaws; provided, however, that the following powers may not be delegated to the Managing Agent:

(A) To adopt the annual budget, any amendment thereto, or to levy Assessments;

(B) To adopt, repeal, or amend any Governing Documents;

(C) To designate signatories on Association bank accounts;

(D) To borrow or lend money on behalf of the Association;

Section 7.12 Management Agreement. Any contract with the Managing Agent must provide that it may be terminated with or without cause and without payment of any penalty or termination fee on no more than thirty (30) days written notice. The term of any such contract may not exceed one (1) year.

ARTICLE VIII
COMMITTEES

Section 8.1 Committees of Directors. The Board of Directors shall establish an Architectural Committee. The Board of Directors may, by resolution adopted by a majority of the Directors in office, designate and appoint other standing or *ad hoc* committees, which committees, to the extent provided in said resolution, shall have and exercise the authority of the Board of Directors in the management of the Association, except that no such committee shall have the authority of the Board of Directors, in reference to amending, altering or repealing any Governing Documents; electing, appointing, or removing any Member of any such committee or any Director or officer of the Association; authorizing the sale, lease, exchange, or mortgage of the property and assets of the Association; authorizing the voluntary dissolution of the Association or revoking proceedings therefor; or adopting a plan for the distribution of the assets of the Association. The designation and appointment of any such committee and the delegation thereto of authority shall not operate to relieve the Board of Directors, or any individual Director, of any responsibility imposed by the Declaration or by law.

Section 8.2 Architectural Committee.

8.2.1 The Architectural Committee shall consist of at least three (3) Members of the Association, one of whom must be a Director who shall serve as the chair of the Committee. None of the committee members shall be required to be an architect or to meet any

other particular qualifications for membership. The Board of Directors may increase the number of members on the Architectural Committee but the number of members must always be an odd number.

8.2.2 It shall be the duty of the Architectural Committee to consider and act upon any and all proposals or plans submitted to it pursuant to the terms of the Declaration, to adopt Architectural Committee Rules, subject to the approval of the Board of Directors, and to perform other duties imposed upon it by the Declaration.

8.2.3 The Architectural Committee may, subject to the approval of the Board of Directors, adopt, amend and repeal, by unanimous vote or written consent, Architectural Committee Rules. The Architectural Committee Rules shall interpret and implement the Declaration by setting forth the standards and procedures for Architectural committee review and the guidelines for architectural design, placement of building, landscaping, color schemes, exterior finishes and materials and similar features which are required to be used within the Property.

8.2.4 The approval by the Architectural Committee of any plans, drawings, or specifications for any work done or proposed, or for any other matter requiring the approval of the Architectural Committee under the Declaration, shall not be deemed to constitute a waiver of any right to withhold approval of any similar plan, drawing, specification, or other matter subsequently submitted for approval.

Section 8.3 Other Committees. Other standing or *ad hoc* committees may be appointed in such manner as may be designated by a resolution adopted by a majority of the Directors present at a meeting at which a quorum is present. Such committees shall serve in an advisory capacity. Unless otherwise provided in such resolution, Members of each such committee shall be Members of the Association and each such committee shall be chaired by a Director. Any Member thereof may be removed by the person or persons authorized to appoint such Members whenever in their judgment the best interests of the Association shall be served by such removal.

Section 8.4 Qualification for Committee Membership. Unless otherwise provided by specific resolution of the Board of Directors, all members of committees shall be Members in good standing of the Association. If a committee member ceases to be a Member of the Association or is determined not to be in good standing as defined in the Declaration, such member's seat shall be immediately deemed vacant and shall be filled by a Member of the Association selected by the Board of Directors, who is in good standing and who shall serve such removed member's expired term.

Section 8.5 Resignations. Any member of a committee may at any time resign from the committee by giving written notice thereof to the Board.

Section 8.6 Vacancies. Vacancies on a committee, however caused, shall be filled by the Board.

Section 8.7 Meetings and Compensation. Committees shall meet from time to time as necessary to perform their duties. The vote or written consent of a majority of the members of a committee, at a meeting or otherwise, shall constitute the act of the committee unless the unanimous decision of the committee is required by any other provision of these Bylaws or the Declaration. Committees shall keep and maintain a written record of all actions taken by them. Committee members shall not be entitled to compensation for their services as such. However, any committee member may be reimbursed for his or her actual expenses incurred in the performance of his or her duties; provided the Board of Directors approves any such expense in writing before it is incurred. Nothing contained herein shall be construed to preclude a committee member from serving the corporation in any other capacity, and receiving compensation therefor.

Section 8.9 Rules. Each committee may adopt rules for its own government not inconsistent with these Bylaws or with rules adopted by the Board of Directors, subject to the approval of the Board of Directors.

ARTICLE IX
BUDGET AND ANNUAL ASSESSMENTS

Section 9.1 Annual Budget. Not later than thirty (30) days prior to the beginning of each fiscal year, the Board shall cause to be prepared an estimated annual budget for the upcoming fiscal year of the Association. Such budget shall take into account the estimated Common Expenses and cash requirements for the year. To the extent that Assessment and other cash income collected from the Members during the preceding year shall be more or less than the expenditures for such preceding year, the surplus or deficit, as the case may be, shall be taken into account.

Common Expenses shall include, but shall not be limited to the following:

(A) All expenses of the Board of Directors incurred for the administration of the Association;

(B) Management fees;

(C) All expenses for the operation, maintenance, repair, and replacement of the Association's Common Areas;

(D) Rent for recreational and other equipment and facilities;

(E) Taxes on Association property;

(F) Insurance premiums on all policies of insurance obtained by the Board of Directors or the Association's managing agent;
